

MAROONDAH
BIZWEEK 2021

**FAST
FORWARD**

Fast Forward your digital business

Get your website listed higher on Google

It's not nerdy or complicated to have a high performing website

It's not enough to just have a website, you need to also make sure that it is optimised so that Google finds it - and increase your chances that your customer will too.

This workshop is full of demonstrations to help you optimise your own website.
